Map Class 220
Monument Facilities
(L-PAFA)

Example of the photo signature for map class L-PAFA (#220).

L-PAFA Map Class Statistics

Type	Land Use
Frequency	Total project polygons = 6
	polygons in NABR = 6
Area	Total project area = 6.0 hectares / 14.8 acres
	6.0 hectares / 14.8 acres in NABR
Average Size	Total project polygons = 1.0 hectares / 1.67 acres
	1.0 hectares / 1.67 acres in NABR
Proportion	0.05% of total project mapping area
	0.05% of NABR portion of mapping area
Accuracy	Not accuracy assessed

Description:

This map class consists of NPS buildings and other facilities (water tanks, sewage ponds, solar array) with associated access roads, parking areas and immediate developed and undeveloped land. The signature combines regularly-shaped structures and natural vegetation.
